

1. How do round-earthers treat flat earthers?
2. Is our scientifically correct belief justified if we can't argue for it(flat earth theory)?
3. Are cognitive dissonance and a lack of metacognition explanations of flat earth culture or is there something else?
4. What are the symptoms of cognitive dissonance and metacognition and how they're displayed in flat earth culture?
5. **How is it that the members of the flat earth subculture can come to and maintain their belief in the context of a scientific mainstream culture?**
